Under exception to Note 3 of Article 421(b) of Mysore Service Regulations, the Heads of Departments specified in Appendix 'H' & 'J' are empowered to sanction pensions including service gratuity to non-gazetted Government Servants and Menials --- hence the Municipal Commissioner Corporation of the City of Bangalore, Bangalore, is competent to sanction pension in this case. Explicit reasons for not obtaining sanction of Government for granting pension in this case have not been stated by the Accountant General Note (3) to Article 283 of Mysore Service Regulations contemplates that sanction of Government is necessary if pension has to be granted to an officer whose incapacity for further service, is the result of irregular or intemperate habits, and not in all cases, of invalid pensions. Clarification on this point may kindly be obtained from the Government in the Finances Department and communicated to this office also for guidance. However, I feel that sanction of Government to grant pension in the case under question is not necessary.
